Farmhouse Flavor

The charm of an old-fashioned farmhouse combines with sizzling contemporary excitement in this three-bedroom home. Classic touches abound, from the clapboard exterior with its inviting, wraparound porch, to the wood stove that warms the entire house. Inside, the two-story foyer, crowned by a plant ledge high overhead, affords a view of the soaring, skylit living room and rear deck beyond sliding glass doors. To the right, there's a formal dining room with bay window, just steps away from the kitchen. Upstairs, you'll find a full bath and two more bedrooms, each with a walk-in closet and cozy gable sitting nook.
