

Northport II

VALUE PLAN

Photo or artist rendering may vary from actual plan.

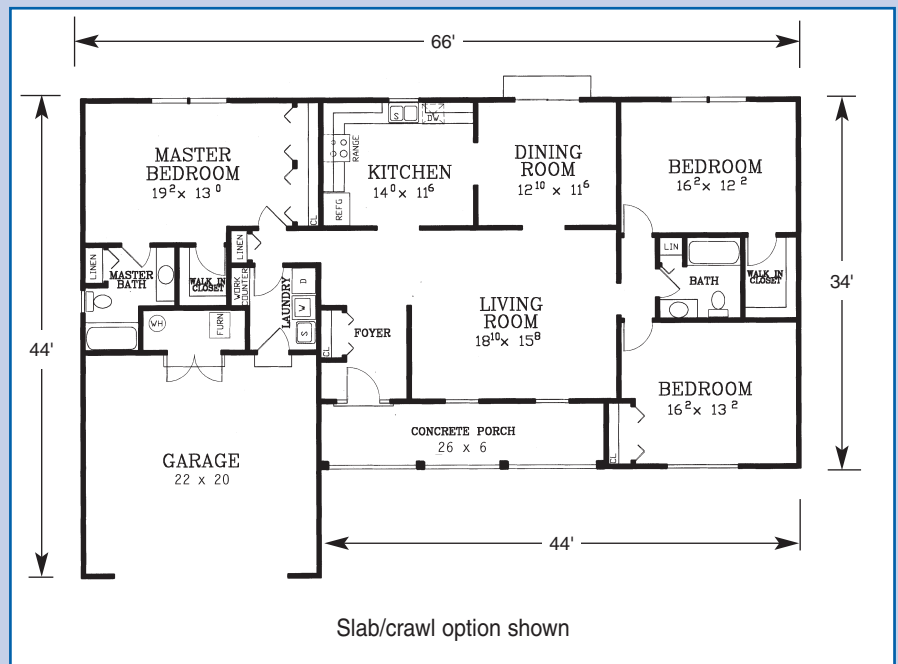

**Total living area:
1,858 sq. ft.**

Stylish Ranch

- 3 Bedrooms
- 2 Baths and Laundry
- Standard 2-Car Garage
- Standard Front Porch
- Elegant Turned Gables

All the charm of a traditional country home is wrapped up in this stylish yet economical ranch. This split-living three-bedroom plan offers larger bedrooms and a formal dining room. This plan also offers large and plentiful closets, and a centrally located laundry room with work counter. The large front porch comes standard. This home, while open and spacious, is also very efficient and extremely comfortable.
