Room to grow

A charming porch shades the windows of the dining room, which rests alongside the tiled foyer. The cozy living room offers space for private times, while the larger family room enjoys its own fireplace and access to the optional patio. A bayed window sheds light on a breakfast nook with a built-in bar connecting to the kitchen. On the second floor, twin walk-in closets connect the master bedroom to a well-appointed full bath. Two secondary bedrooms and large unfinished area round out the upper level.
