

84 LUMBER OUR MISSION, PURPOSE AND VISION

SINCE OUR HUMBLE SMALL-TOWN BEGINNINGS IN 1956, 84 LUMBER HAS GROWN TO BECOME THE NATION'S LARGEST PRIVATELY HELD BUILDING MATERIALS SUPPLIER.

Our success can be traced to an unwavering customer-centric focus. 84 Lumber's mission, purpose and vision are maintained by owner and CEO Maggie Hardy, and the company's roughly 6,700 associates.

MISSION STATEMENT

84 Lumber's mission is to provide the highest-quality products and services to professional builders and do-it-yourselfers in order to shape, build and maintain the American dream for people across the country.

PURPOSE

84 Lumber serves customers through a team of dedicated, hardworking and highly trained associates, providing top products and services that are competitively priced in each of its markets.

VISION

With a keen sense of American values, ideals and work ethic, 84 Lumber is committed to the local communities where we live and work. Whether it's exceptional customer service, collaboration with various charities, involvement with business and trade groups, or investment in associates, 84 Lumber's priorities is what has kept the company strong for 67 years and counting.
